Subject: Detrex Hormone Free Statement

To whom it may concern,

Detrex Chemicals hydrochloric acid products are made using a direct synthesis process using only high purity hydrogen, chlorine and DI water. The hydrochloric acid product from our process is chemically pure with very few trace contaminants or elemental impurities.

Detrex Chemicals does not add or use any hormones or products containing any hormones to manufacture our products.

To the best of our knowledge, Detrex Chemicals hydrochloric acid products are free of all hormone substances and elements.

Sincerely,

A handwritten signature in black ink that reads "Dave Morgan". The signature is written in a cursive style with a large initial "D" and "M".

Dave Morgan  
Global Product Manager, Hydrochloric Acid
