Subject: Animal Products Statement

To whom it may concern,

Detrex Chemicals' hydrochloric acid products are not derived from animals or animal byproducts. Our products are not processed, stored, analyzed, or packaged using any products containing animal-based ingredients. All of our products are processed, stored, and packaged in a closed system that uses no animal-based grease, lubricants, seals, or gaskets.

To the best of our knowledge Detrex Hydrochloric Acid products are free of all animal products and animal byproducts.

Sincerely,
