Subject: Detrex Natural Ingredients Statement

To whom it may concern,

The FDA defines natural ingredients as *“ingredients extracted directly from plants or animal products as opposed to being produced synthetically.”* Detrex Hydrochloric Acid products are manufactured from synthesized or manufactured pure elemental chemicals.

Detrex Hydrochloric Acid products do not meet the requirements to be considered natural ingredients.

Sincerely,

A handwritten signature in black ink that reads "Dave Morgan". The signature is written in a cursive, flowing style.
