Subject: Detrex Genetically Modified Organisms (GMO) Statement

To whom it may concern,

Detrex Chemicals hydrochloric acid products are manufactured entirely from synthetic or manufactured products and are not derived from any agriculturally based ingredients. Our products are not processed, stored, analyzed, or packaged using any agriculturally based products or derivatives. All our products are processed, stored, and packaged in a closed system that uses no grease or lubricants derived from agricultural products.

To the best of our knowledge Detrex Chemicals hydrochloric acid products are free of Genetically Modified Organisms.

Sincerely,

A handwritten signature in black ink that reads "Dave Morgan". The signature is fluid and cursive, with the first name "Dave" and last name "Morgan" clearly distinguishable.
