Subject: Detrex Agricultural Derivatives Statement

To whom it may concern,

Detrex Chemicals' hydrochloric acid products are not derived from agricultural products or their derivatives. Our products are not processed, stored, analyzed, or packaged using any agriculturally based products or derivatives. All our products are processed, stored, and packaged in a closed system that uses no grease or lubricants derived from agricultural products.

To the best of our knowledge Detrex Hydrochloric Acid products are free of agricultural derivatives.

Sincerely,

A handwritten signature in black ink that reads "Dave Morgan". The signature is fluid and cursive, with "Dave" on the top line and "Morgan" on the bottom line.
