Subject: Detrex Vegan and Vegetarian Statement

To whom it may concern,

Detrex Chemical's Hydrochloric Acid products are manufactured entirely from synthetic or manufactured products and do not contain ingredients or sourced materials derived from animal or animal by-products. Our products are not processed, stored, analyzed, or packaged using any products containing or sources from animals or animal by-products. All our products are processed, stored, and packaged in a closed system that uses no grease or lubricants derived from animals or animal by-products. To the best of our knowledge Detrex Hydrochloric Acid products are suitable for vegetarians and vegan applications.

Sincerely,

A handwritten signature in black ink that reads "Dave Morgan". The signature is written in a cursive style with a large, looped initial "D".

Dave Morgan  
Global Product Manager, Hydrochloric Acid
